ENACTED BY THE GENERAL COURT IN 1913, GIVING ACTS AND
RESOLVES WITH ANNOTATIONS.

CONTENT.

This pamphlet contains legislation relating to public education enacted by the General Court during the session of 1913, save legislation appropriating money for specific purposes or to meet annual expenditures. The text of the acts and resolves is followed by explanation and comment where these seem to be required. The legislation is grouped under four headings: —

I. Acts and resolves conferring powers and duties on the Board of Education.

II. Acts of general import to the public schools.

III. Special acts relating to specific communities or institutions.

IV. Additional legislation of interest in education.

(For list of subjects and pages see page 69 of this pamphlet.)

PART I. — LEGISLATION CONFERRING POWERS AND DUTIES ON THE BOARD OF EDUCATION.

COLLEGIATE COURSES IN NORMAL SCHOOL.

CHAPTER 26.

RESOLVE TO DIRECT THE BOARD OF EDUCATION TO INVESTIGATE THE ADVISABILITY OF ESTABLISHING COLLEGIATE COURSES IN NORMAL SCHOOLS AND IN SECONDARY SCHOOLS.

Resolved, That the board of education is hereby authorized and directed to investigate the advisability and the probable cost of establishing in the normal schools of the commonwealth, and in secondary schools maintained by cities and towns, a curriculum in collegiate subjects leading to a degree.

The board shall report to the general court not later than the second day of June, in the current year, and shall accompany its report with the draft of any legislation which the board may recommend. [*Approved March 6, 1913.*]

The Board of Education presented a report in accordance with this resolve, but made no recommendation for legislation.

AMERICAN FLAG.

CHAPTER 61.

RESOLVE TO PROVIDE FOR AN INVESTIGATION RELATIVE TO THE PUBLICATION OF A MANUAL UPON THE AMERICAN FLAG.

Resolved, That the board of education is hereby authorized and directed to investigate the matter of publishing a book or manual upon the American flag containing a history of the flag and such other matter as the board may consider proper, for the purpose of furnishing copies to teachers in the public schools of the commonwealth and of directing that instructions from the book be given to pupils in such grades of the public schools as the school committees of the several cities and towns may determine. The board shall report to the general court on or before the fifteenth day of January in the year nineteen hundred and fourteen stating the probable cost of publishing and distributing the book, and making such recommendations for legislation, if any, as it may deem expedient. [*Approved April 21, 1913.*]

AGRICULTURE, ORDER FOR A REPORT RELATIVE TO THE TEACHING OF.

On May 6, 1913, the Legislature passed the following order: —

Ordered, That the Board of Education be requested to consider what branches of agriculture might be taught to families and by what methods; what kinds of school plants and facilities would be required for such instruction; to estimate what the immediate and ultimate cost per family would be; to ascertain as nearly as may be how many families would take advantage of such instruction and what public benefits might be expected to accrue therefrom; and to report to the next General Court not later than the second Monday in January.

NORMAL SCHOOL SITES.

CHAPTER 99.

RESOLVE TO PROVIDE FOR AN INVESTIGATION AND A REPORT BY THE BOARD OF EDUCATION RELATIVE TO THE SITES OF NORMAL SCHOOLS.

Resolved, That the board of education is hereby authorized and directed to investigate in regard to the sites now occupied by normal schools in the commonwealth, especially with the view of ascertaining whether or not the sites now occupied by normal schools are located advantageously for the interests of the commonwealth and for the convenience of the scholars attending them. The board is also authorized to investigate as to the necessity or desirability of establishing other normal schools and as to the locations where such schools should be established, if additional normal schools should, in the opinion of the board, be established. The board shall report the result of its investigation to the general court on or before the second Wednesday of January next, together with any recommendations for legislation or otherwise which the board may deem expedient. [*Approved May 28, 1913.*]

APPOINTEES AND EXPENDITURES OF THE BOARD OF EDUCATION.

CHAPTER 421.

AN ACT RELATIVE TO THE APPOINTEES OF THE BOARD OF EDUCATION.

SECTION 1. Section three of chapter four hundred and fifty-seven of the acts of the year nineteen hundred and nine, as amended by chapter two hundred and eighty-two of the acts of the year nineteen hundred and ten, by chapter four hundred and sixty-six of the acts of the year nineteen hundred and eleven, and by chapter eighty of the acts of the year nineteen hundred and twelve, is hereby further amended by striking out the words "at equal salaries", in the fourteenth line, — so as to read as

follows: — *Section 3.* The board shall appoint a commissioner of education whose term of office shall be five years, and may fix his salary at such sum as the governor and council shall approve. Said commissioner may at any time be removed from office by a vote of six members of the board. He shall exercise the powers and perform the duties now conferred or imposed by law on the secretary of the board of education. He shall be the executive officer of the board, shall have supervision of all educational work supported in whole or in part by the commonwealth, and shall report thereon to the board, and, when so authorized by the board, may approve bills for expenditures from appropriations and funds placed under the direction of the board. The board shall also appoint two deputy commissioners, one of whom shall be especially qualified to deal with industrial education. The powers, duties, salaries and terms of office of said deputy commissioners shall be such as may be established from time to time by the board, but the board may, by a vote of six members thereof, remove from office at any time either of said deputy commissioners. The board may be allowed for rent, salaries of the commissioner, the deputies, agents, assistants and clerical service, and for travelling and other necessary expenses of the commissioner, the deputies, agents, and of the board incurred in the performance of their official duties, such sum as shall be appropriated by the general court annually, payable out of the treasury of the commonwealth.

SECTION 2. This act shall take effect upon its passage. [*Approved March 31, 1913.*]

The Board asked for the amendment provided by this act, in order that it might, in appointing a deputy commissioner, determine the salary of said deputy without reference to the salary of the other deputy. It is considered by the Board that the freedom thus given in appointing a deputy is desirable.

SECTION 2. This act shall take effect upon its passage. [*Approved March 26, 1913.*]

This amendment permits the Board to register teachers from other States as well as from Massachusetts; thus securing a larger list of available teachers for the convenience of school authorities throughout this State.

The purpose of this act is to make more effective the legal requirements for the attendance of illiterate minors between sixteen and twenty-one years of age on the public schools by providing a penalty also on the minor of a fine of not less than \$5 in addition to that which may be imposed upon the person having said minor in his control.

The certificate of approval of the supervisor of plans of such plans and specifications, endorsed with the approval of the deputy chief of the building inspection department of the district police, or a specification of requirements necessary for compliance with the provisions of this act, set forth in detail and so endorsed, shall be issued to the person causing its erection or alteration, or to the architect thereof, and a copy of the same, together with the plans, shall then be turned over to the inspector in whose district the building is to be erected or altered, who shall enforce the requirements thereof and supervise such erection or alteration. After a certificate of approval, or a specification of requirement, has been issued, no change shall be made in the plans or speci-

fication, or in the building, without the permission in writing of the supervisor of plans.

A building which is used, in whole or in part, as a public building, public or private institution, schoolhouse, church, theatre, special hall, public hall, miscellaneous hall, place of assemblage, or place of public resort, and a building in which ten or more persons are employed in a factory, workshop, mercantile or other establishment, and an office building, dormitory, hotel, family hotel, apartment house, boarding house, lodging house or tenement house which has eight or more rooms or in which ten or more persons are accommodated or lodged or reside above the second story, the owner, lessee or occupant of which is notified in writing by an inspector that the provisions of this act are deemed by him applicable thereto, shall be provided with proper egresses or other means of escape from fire, sufficient for the use of all persons accommodated, assembled, employed, lodged or resident therein; but no owner, lessee or occupant of such building shall be deemed to have violated this provision unless he has been notified in writing by such inspector what additional egresses or means of escape from fire are necessary and has neglected for thirty days, or has refused, to provide the same. The egresses and means of escape shall be kept unobstructed, in good repair and ready for use, and, if the inspector so directs in writing, every such egress shall be properly lighted and provided with a sign having on it the word "Exit" in letters not less than five inches in height, and so made and placed as plainly to indicate to persons within the building the location of such egresses, stairways shall have suitable hand-rails, egress doors and windows shall open outwardly, and women or children shall not be employed, in a factory, workshop, mercantile or other establishment, in a room above the second story from which there is only one egress. The certificate of the inspector shall be conclusive evidence of a compliance with the said requirements. Portable seats shall not be allowed in the aisles or passageways of such buildings during any service or entertainment held therein. Stairways on the outside of the building shall have suitable railed landings at each story above the first, accessible at each story from doors or windows, and such landings, doors and windows shall be kept clear of ice, snow and other obstructions.

SECTION 21. The basement and each story of a building which is subject to the provisions of the preceding section shall be supplied with means of extinguishing fire, consisting of a hose attached to a suitable water supply and capable of reaching any part of such basement or story, or of such portable apparatus as the inspector shall direct; and such appliances shall be kept at all times ready for use and in good condition.

SECTION 22. No wooden flue or air duct for heating or ventilating purposes shall be placed, or shall remain placed, in any building which is subject to the provisions of sections fifteen and twenty of this act, and

no pipe for conveying hot air or steam in such building shall be placed, or shall remain placed, within one inch of any woodwork, unless protected to the satisfaction of the inspector by suitable guards or casings of incombustible material.

.

SECTION 27. If any change in the use or otherwise shall be made upon premises for which such certificate has been issued which would render the certificate void, according to the provisions of section twenty of this act, the person who makes such change shall forthwith give written notice thereof to an inspector for the district or to the chief of the district police.

SECTION 28. If an inspector finds that any building or part thereof which is subject to the provisions of this act fails to conform thereto, or if any change is made therein which would render a certificate void according to the provisions of section twenty of this act, he shall give notice in writing to the owner, lessee, occupant or agent in charge thereof, specifying such additional provisions, egresses or other means of escape from fire as in his opinion may be necessary to make it conform to the provisions of this act and to obtain a certificate as aforesaid; and any such owner, lessee, occupant or agent in charge thereof, failing to comply with such notice for a period of thirty days, may be punished by a fine of not less than fifty nor more than one thousand dollars.

.

SECTION 39. The term "miscellaneous hall" shall mean a building or part of a building containing an audience or assembly hall capable of seating not more than four hundred persons, a society hall, or a hall in a public or private school building. The certificate of the inspector shall be conclusive evidence of a compliance with the provisions of this act for such use of a hall as he shall set forth in detail in the certificate, and shall be conspicuously posted near the main entrance of the hall.

SECTION 40. Every public building and every schoolhouse shall be kept clean and free from effluvia arising from any drain, privy or nuisance, shall be provided with a sufficient number of proper water closets, earth closets, or privies, and shall be ventilated in such a manner that the air shall not become so impure as to be injurious to health. If it appears to an inspector that further or different heating, ventilating or sanitary provisions are required in any public building or schoolhouse, in order to conform to the requirements of this section, and that such requirement can be provided without unreasonable expense, he may issue a written order to the proper person or authority, directing such heating, ventilating or sanitary provisions to be provided. A school committee, public officer, or person who has charge of, owns, or leases any such public building or schoolhouse, who neglects for four weeks to comply with the order of such inspector shall be punished by a fine of not more than one hundred dollars. The state inspectors of health or such other officers

as the state board of health may from time to time appoint shall make such examinations of school buildings as in the opinion of said board the protection of the health of the pupils may require.

SECTION 41. In the preceding section, "public building" shall mean any building or part thereof used as a public or private institution, church, theatre, special hall, public hall, miscellaneous hall, place of assemblage or place of public resort, and "schoolhouse" shall mean any building or part thereof in which public or private instruction is afforded to more than ten pupils at one time.

SECTION 62. This act shall take effect on the first day of November, nineteen hundred and thirteen. [*Approved May 15, 1913.*]

CHAPTER 779.

AN ACT RELATIVE TO SCHOOL ATTENDANCE AND TO THE EMPLOYMENT OF MINORS.

SECTION 1. Section one of chapter forty-four of the Revised Laws, as amended by chapter three hundred and twenty of the acts of the year nineteen hundred and five and by chapter three hundred and eighty-three of the acts of the year nineteen hundred and six, is hereby further amended by striking out the said section and inserting in place thereof the following:—*Section 1.* Every child between seven and fourteen years of age, every child under sixteen years of age who does not possess such ability to read, write and spell in the English language as is required for the completion of the fourth grade of the public schools of the city or town in which he resides, and every child under sixteen years of age who has not received an employment certificate as provided in this act and is not engaged in some regular employment or business for at least six hours per day or has not the written permission of the superintendent of schools of the city or town in which he resides to engage in profitable employment at home, shall attend a public day school in said city or town or some other day school approved by the school committee, during the entire time the public schools are in session, subject to such exceptions as are provided for in sections four,¹ five² and six² of this chapter and in section three of chapter forty-two of the Revised Laws, as amended by chapter four hundred and thirty-three of the acts of the year nineteen hundred and two and by chapter five hundred and thirty-seven of the acts of the year nineteen hundred and eleven; but such attendance shall not be required of a child whose physical or mental condition is such as to render attendance inexpedient or impracticable, or who is being otherwise instructed in a manner approved in advance by the superintendent

¹ See section 4, chapter 779, Acts of 1913.

² Sections 5 and 6 (as amended), chapter 44, Revised Laws.

of schools or the school committee. The superintendent of schools, or teachers in so far as authorized by said superintendent or by the school committee, may excuse cases of necessary absence for other causes not exceeding five day sessions or ten half-day sessions in any period of six months. For the purposes of this section, school committees shall approve a private school only when the instruction in all the studies required by law is in the English language, and when they are satisfied that such instruction equals in thoroughness and efficiency, and in the progress made therein, the instruction in the public schools in the same city or town; but they shall not refuse to approve a private school on account of the religious teaching therein.

SECTION 2. Said chapter forty-four is hereby further amended by striking out section two and inserting in place thereof the following: — *Section 2.* Every person having under his control a child as described in section one ¹ shall cause him to attend school as therein required, and, if he fails for five day sessions or ten half-day sessions within any period of six months while such control obtains, to cause such child so to attend school, he shall, upon complaint by an attendance officer and conviction thereof, be punished by a fine of not more than twenty dollars, and no physical or mental condition which is capable of correction, or which renders the child a fit subject for special instruction at public charge in institutions other than public day schools, shall avail as a defence under the provisions of this or the preceding section, unless it shall be made to appear that the defendant has employed all reasonable measures for the correction of the condition and the suitable instruction of the child.

Whoever induces or attempts to induce a child to absent himself unlawfully from school, or employs or harbors a child while school is in session, shall be punished by a fine of not less than ten nor more than fifty dollars.

SECTION 3. Section three of said chapter forty-four, as amended by section one of chapter two hundred and sixty-eight of the acts of the year nineteen hundred and eleven, is hereby further amended by striking out the said section and inserting in place thereof the following: — *Section 3.* Every child shall have a right to attend the public schools of the city or town where he actually resides, subject to the provisions of section four ² of this chapter, and to such reasonable regulations as to numbers and qualifications of pupils to be admitted to the respective schools and as to other school matters as the school committee shall from time to time prescribe. No child shall be excluded from a public school of any city or town on account of race, color or religion.

SECTION 4. Section four of said chapter forty-four, as amended by chapter three hundred and seventy-five of the acts of the year nineteen hundred and five and by section two of chapter two hundred and sixty-eight of the acts of the year nineteen hundred and eleven, is hereby further amended by striking out the said section and inserting in place thereof the following: — *Section 4.* It shall be the duty of the school committee

² See section 4, chapter 779, Acts of 1913.

of each city or town to provide for the attendance of all children of school age resident therein and to enforce the same under the provisions of section one of this chapter. But if a child who is required by the provisions of said section one to attend school resides temporarily in a city or town other than that of the legal residence of his parent or guardian for the especial purpose of attending school there in preference to the place of such legal residence, the said city or town may, for the tuition of such child during the period of such attendance, recover from the parent or guardian, whether he resides within or without the commonwealth, a sum equal to the average expense per pupil of such school for that period, unless under the provisions of section three of chapter forty-two of the Revised Laws, as amended by chapter four hundred and thirty-three of the acts of the year nineteen hundred and two, and by chapter five hundred and thirty-seven of the acts of the year nineteen hundred and eleven, or of section five of chapter forty-four of the Revised Laws, such tuition is recoverable from the city or town in which the parent or guardian resides.

A child who is not required by the provisions of section one of this chapter to attend school may, in the discretion of the school committee, be required as a condition of admission to a school in a city or town other than that in which his parent or guardian has a legal residence, to pay as tuition a sum equal to the average expense per pupil in the school which such child seeks to enter, the same to be paid annually, semi-annually or at other periods in advance as the school committee may determine.

For the tuition in the public schools in any city or town of any child between the ages of five and fifteen years who shall be placed elsewhere than in his own home by the state board of charity, or by the trustees of the Massachusetts training schools, or kept under the control of either of said boards in such city or town, the commonwealth shall pay to said city or town, and for such tuition of any such child so placed by the trustees for children of the city of Boston, or so kept under the control of said trustees, the city of Boston from its appropriation for school purposes, shall pay to said city or town fifty cents for each week of five days, or major part thereof, of attendance of every such child in the public schools, or, if the school committee of said city or town so desires, an amount equal to the average expense for each pupil of such school during the preceding year, for a period equal to the time during which the child so attends.

For the transportation to and from a public school of any child whose tuition is payable by the commonwealth or by the city of Boston under the provisions of this section, the commonwealth or the city of Boston, as the case may be, shall pay to the city or town furnishing such transportation, for each week of five days or major part thereof, an amount equal to the average amount for each child paid by said city or town per week for the transportation of children to and from school over the route by which such child is conveyed. Settlements of the accounts of the several cities and towns with the commonwealth and with the city of Boston shall be made annually on the first day of April, and the amounts found due

shall be paid within three months thereafter. The money received by said cities and towns under the provisions of this section shall be applied to the support of schools. For the tuition in the public schools in any town of less than ten thousand inhabitants of any child between the ages of five and fifteen years not theretofore resident in such town, who is an inmate of an institution containing more than six inmates, such town may recover from said institution the additional school expense incurred, as may be determined jointly by the school committee of said town and the trustees or managers of said institution, or, in case of disagreement between said school committee and said trustees or managers, as may be decreed by the probate court; but no demand shall be made upon said trustees or managers without a vote of the town instructing the school committee to that effect.

SECTION 5. Section one of chapter forty-six of the Revised Laws, as amended by chapter two hundred and fifty-six of the acts of the year nineteen hundred and two, is hereby further amended by striking out the said section and inserting in place thereof the following:— *Section 1.* The county commissioners of each county, except the counties of Barnstable, Berkshire, Franklin, Hampshire, Dukes County and Nantucket, shall maintain either separately or jointly with the commissioners of other counties as hereinafter provided, in a suitable place, not at or near a penal institution, a school for the instruction and training of children committed thereto as habitual truants, absentees or school offenders. The county commissioners of two or more counties may, at the expense of said counties, establish and maintain a union school which shall be organized and controlled by the chairmen of the county commissioners of said counties. The chairmen of the respective boards of county commissioners of the counties of Norfolk, Bristol and Plymouth, having the management of the Norfolk, Bristol and Plymouth union training school, shall each be paid the sum of one hundred dollars annually by said counties, respectively. The county commissioners of the counties of Barnstable, Berkshire, Franklin, Hampshire, Dukes County and Nantucket shall assign a training school established by law as the place for the instruction and training of children committed within their respective counties as habitual truants, absentees or school offenders, and shall pay for their support in said school such reasonable sum as the county commissioners having control of said school may determine. For the purposes of this chapter the parental school of the city of Boston shall be deemed the county training school of the county of Suffolk, and commitments from the towns of Revere and Winthrop and the city of Chelsea shall be to the training school for the county of Middlesex.

The city or town from which an habitual truant, absentee or school offender is committed to a county training school shall pay to the county within which it is situated one dollar a week toward his support, and reports of the condition and progress of its pupils in said school shall be sent each month to the superintendent of schools of such city or town;

but the towns of Revere and Winthrop and the city of Chelsea shall pay to the county of Middlesex, for the support of each child committed to the training school of said county, two dollars and fifty cents a week, and such additional sums for each child as will cover the actual cost of maintenance.

SECTION 6. Section three of said chapter forty-six, as amended by chapter three hundred and thirty of the acts of the year nineteen hundred and three, and by chapter two hundred and twenty of the acts of the year nineteen hundred and four, is hereby further amended by striking out the said section and inserting in place thereof the following: — *Section 3.* A child between seven and sixteen years of age who wilfully and habitually absents himself from school contrary to the provisions of section one ¹ of chapter forty-four of the Revised Laws, as amended, shall be deemed to be an habitual truant, and, unless placed on probation as provided in section seven of this chapter, may, upon complaint by an attendance officer and conviction thereof, be committed to a county training school.

SECTION 7. Section four of said chapter forty-six, as amended by chapter three hundred and thirty of the acts of the year nineteen hundred and three, and by chapter two hundred and twenty of the acts of the year nineteen hundred and four, is hereby further amended by striking out the said section and inserting in place thereof the following: — *Section 4.* A child between seven and sixteen years of age who may be found wandering about in the streets or public places of any city or town, having no lawful occupation, habitually not attending school and growing up in idleness and ignorance, shall be deemed to be an habitual absentee, and, unless placed on probation as provided in section seven of said chapter forty-six may, upon complaint by an attendance officer or any other person, and conviction thereof, be committed to a county training school.

SECTION 8. Section five of said chapter forty-six, as amended by chapter three hundred and thirty of the acts of the year nineteen hundred and three and by chapter two hundred and twenty of the acts of the year nineteen hundred and four, is hereby further amended by striking out the said section and inserting in place thereof the following: — *Section 5.* A child under sixteen years of age who persistently violates the reasonable regulations of the school which he attends, or otherwise persistently misbehaves therein, so as to render himself a fit subject for exclusion therefrom, shall be deemed to be an habitual school offender, and, unless placed on probation as provided in section seven of said chapter forty-six may, upon complaint by an attendance officer and conviction thereof, be committed to a county training school.

SECTION 9. Said chapter forty-six is hereby further amended by striking out section six and inserting in place thereof the following: — *Section 6.* The court or magistrate by whom a child has been committed to a county training school may make an order relative to the payment by his parents to the county of the cost of his support while in said school, and

¹ See section 1, chapter 779, Acts of 1913.

may from time to time revise and alter such order or make a new order as the circumstances of the parents may justify.

SECTION 10. Section eight of said chapter forty-six, as amended by section four of chapter two hundred and twenty of the acts of the year nineteen hundred and four, is hereby further amended by striking out the said section and inserting in place thereof the following: — *Section 8.* County commissioners, if they think it will be for the best interest of any child who has been committed to a county training school under their control, after notice and an opportunity to be heard has been given to the superintendent of schools, or, if there is no superintendent, to the school committee of the city or town from which such child was committed to said school, may permit him to be at liberty upon such conditions as said commissioners may deem best; or, with the approval of the court which imposed the sentence, they may discharge him from said school; and upon such parole or discharge they shall make an entry upon their records of the name of such child, the date of parole or discharge and the reason therefor; and a copy of such record shall be transmitted to the court or magistrate by whom such child was committed and to the school committee of the city or town from which he was committed.

If such child, in the opinion of said commissioners, violates the conditions of his parole at any time previous to the expiration of the term for which he was committed to said school, such parole may be revoked. If a superintendent of schools or a school committee furnishes evidence satisfactory to said commissioners of the violation by a child of the conditions of his parole, said commissioners shall revoke such parole, and may thereupon issue an order directed to the attendance or police officers of any city or town to arrest such child wherever found and return him to said school. Such officer shall arrest such child and return him to said school, where he shall be held, subject to the provisions of this chapter, for the residue of the term of the original sentence.

The expense of such arrest and return, so far as approved by the commissioners, shall be paid by the county or counties maintaining said school. A child who has been committed to a county training school, whether he be confined at the county training school or be on parole as provided in this section, shall be discharged from the custody and care of such school upon his becoming sixteen years of age. Releases from the parental school of the city of Boston shall be governed by the provisions of chapter five hundred and fourteen of the acts of the year eighteen hundred and ninety-six, and shall be made by the trustees for children who shall have and exercise the powers given by said chapter to the institutions commissioner of said city.

SECTION 11. Section ten of said chapter forty-six, as amended by section four of chapter three hundred and thirty of the acts of the year nineteen hundred and three, is hereby further amended by striking out the said section and inserting in place thereof the following: — *Section 10.* An inmate of a county training school or of the parental school of the city

of Boston who persistently violates the reasonable regulations thereof, or is guilty of indecent or immoral conduct, or otherwise grossly misbehaves, so as to render himself an unfit subject for retention therein, may, upon complaint by the officer in control of said school and conviction thereof, if under fifteen years of age, be committed to the Lyman school for boys; if over fifteen years of age, to the industrial school at Shirley. If a girl who is committed to the custody of the state board of charity under sections three, four or five of this chapter, proves unmanageable in a private family, she may be committed, by the state board of charity, to the state industrial school for girls.

SECTION 12. Said chapter forty-six is hereby further amended by striking out section thirteen and inserting in place thereof the following: — *Section 13.* Attendance officers shall inquire into all cases arising under the provisions of sections one,¹ two,¹ three,¹ four¹ and six of chapter forty-four and sections three, four, five and eight of this chapter,² or of sections sixty-one, sixty-two, sixty-three or sixty-six of chapter five hundred and fourteen³ of the acts of the year nineteen hundred and nine, and may make complaints and serve legal processes issued under the provisions of this chapter. SECTION 15. Said chapter five hundred and fourteen is hereby further amended by striking out section fifty-seven and inserting in place thereof the following: — *Section 57.*⁶ No child between fourteen and sixteen years of age shall be employed or be permitted to work in, about or in connection with any factory, workshop, manufacturing, mechanical or mercantile establishment unless the person, firm or corporation

On termination of the employment of a child whose employment certificate is on file, said certificate shall be returned by the employer within two days after said termination to the office of the superintendent of schools from which it was issued.

SECTION 16. Section fifty-eight of said chapter five hundred and fourteen, as amended by chapter two hundred and sixty-nine of the acts of the year nineteen hundred and eleven, is hereby further amended by striking out the said section and inserting in place thereof the following:

— *Section 58.* An employment certificate shall be issued only by the superintendent of schools or by a person authorized by him in writing, or, where there is no superintendent of schools, by a person authorized in writing by the school committee, of the city or town where the child to whom it is issued resides during his employment, or in case the child resides outside the commonwealth, of the city or town in which the child is to be employed: *provided,* that no member of a school committee or other person authorized as aforesaid shall have authority to issue such certificate for any child then in, or about to enter, such person's own employment or the employment of a firm or corporation of which he is a member, officer or employee.

The person issuing employment certificates shall in each case, before issuing a certificate, receive, examine, approve and file the following papers, duly executed:—

(1) A pledge or promise signed by the employer or by an authorized manager or superintendent, setting forth the character of the employment, the number of hours per day during which the child is to be regularly employed and the name and address of the employer, in which pledge or promise the employer agrees to employ the child in accordance with the provisions of this act, and to return the employment certificate as provided in section fifty-seven.¹

(2) The school record of such child, properly filled out and signed as hereinafter provided.

(3) A certificate signed by a school or family physician, or by a physician appointed by the school committee, stating that the child has been thoroughly examined by said physician and, in his opinion, is in sufficiently sound health and physically able to perform the work which the child intends to do.

¹ See section 15, chapter 779, Acts of 1913.

(4) Evidence of age showing that the child is fourteen years of age, which shall consist of one of the following proofs of age:

(a) A birth certificate, or a duly attested transcript thereof, made by a registrar of vital statistics or other officer charged with the duty of recording births.

(b) A baptismal certificate, or a duly attested transcript thereof, showing the age and date of baptism of the child.

(c) In case none of the aforesaid proofs of age is obtainable, and only in such case, the person issuing employment certificates may accept in lieu thereof a passport or a duly attested immigration record, or transcript thereof, showing the age of the child, or other official or religious record of the child's age: *provided*, that it shall appear to the satisfaction of said person that the same is good and sufficient evidence of the child's age.

(d) In case none of the aforesaid proofs of age is obtainable, and only in such case, the person issuing employment certificates may accept in lieu thereof a record of age as given on the register of the school which the child first attended in the commonwealth: *provided*, that such record was kept for at least two years during the time when such child attended school.

(e) In case none of the aforesaid proofs of age is obtainable, and only in such case, the person issuing employment certificates may receive the signed statement of the school physician, or of the physician appointed by the school committee, stating that, after examination, it is the opinion of such physician that the child is at least fourteen years of age. Such physician's statement shall be accompanied by a statement signed by the child's parent, guardian or custodian, or in case such child has no parent, guardian or custodian, the signed statement of the next adult friend. Such signed statement shall contain the name, date and place of birth and residence of the child, and shall certify that the parent, guardian, custodian or next friend signing the statement is unable to produce any of the proofs of age specified in this section. Such statement shall be signed in the presence of the person issuing employment certificates by the parent, guardian, custodian, or next friend. The person issuing employment certificates may, before issuing a certificate, require the parent, guardian, custodian, or next adult friend of the child to appear and approve in writing the issuance of said certificate.

SECTION 17. Said chapter five hundred and fourteen is hereby further amended by striking out section fifty-nine and inserting in place thereof the following:— *Section 59.* The school record required by section sixteen¹ of this act shall be filled out and signed by the principal or teacher in charge of the school which the child last attended and shall be furnished only to a child who, after due examination and investigation, is found to be entitled thereto. It shall also give the name, date of birth, and the residence of the child as shown on the records of the school and the name of the parent, guardian or custodian. In case it is found to be impossible to obtain said school record from the principal or teacher in charge of the school which such child last attended, the requirement of a school record may be waived.

No such school record shall be issued or accepted, and no employment certificate shall be granted unless the child possesses the educational qualifications enumerated in section one of chapter forty-four of the Revised Laws as amended by section one of this act.¹

No such school record shall be issued or accepted unless the child has regularly attended the public schools or other lawfully approved schools for not less than one hundred and thirty days after becoming thirteen years of age: *provided, however*, that the school record may be accepted in the case of a person who has been an attendant at a public day school or other lawfully approved school for a period of not less than seven years, if in the opinion of said superintendent such person is mentally incapable of acquiring the educational qualifications herein prescribed.

SECTION 18. Section sixty of said chapter five hundred and fourteen, as amended by section four of chapter two hundred and fifty-seven of the acts of the year nineteen hundred and ten, is hereby further amended by striking out the said section and inserting in place thereof the following:— *Section 60.* The employment certificate required by this act shall state the name, sex, date and place of birth and the place of residence of the child and describe the color of the hair and eyes and any distinguishing facial marks of the child. It shall certify that the child named in such certificate has personally appeared before the person issuing the certificate and has been examined and found to possess the educational qualifications enumerated in section one ¹ of chapter forty-four of the Revised Laws, as amended by section one of this act, and that all the papers required by section fifty-eight ² have been duly examined, approved and filed and that all the conditions and requirements for issuing an employment certificate have been fulfilled. A record giving all the facts contained on every employment certificate issued shall be filed in the office issuing the same, together with the papers required by section fifty-eight¹ as amended. A record shall also be kept of the names and addresses of all children to whom certificates have been refused, together with the names of the schools which said children should attend and the reasons for refusal. All the aforesaid records and papers shall be preserved until such children, if living, shall have become sixteen years of age. Such records and statistics concerning the issuance of employment certificates as may be prescribed by the board of education shall be kept and shall be open to the inspection of said board, its officers or agents. The blank certificates and other papers required in connection with the issuing of employment certificates and educational certificates under this act shall be designed by and furnished to the local school committees by the state board of labor and industries after conference with the board of education, and the approval of the forms thereof by the attorney-general. Said certificates and papers may bear such further and explanatory matter as may be needed to facilitate the enforcement of this act or to comply with future legislative requirements.

SECTION 19. Section sixty-one of said chapter five hundred and fourteen, as amended by chapter two hundred and forty-nine of the acts of the year nineteen hundred and ten, is hereby further amended by striking out the said section and inserting in place thereof the following: — *Section 61.* Whoever employs a person under the age of sixteen years, and whoever procures or, having under his control a person under sixteen years of age, permits such person to be employed in violation of the provisions of sections fifty-six² or fifty-seven³ of this act, shall for each offence be punished by a fine of not less than ten dollars nor more than fifty dollars, or by imprisonment for not more than thirty days; and whoever continues to employ a person under sixteen years of age in violation of the provisions of either of said sections, after being notified thereof by a school attendance officer or by an inspector appointed by the state board of labor and industries, shall for every day thereafter while such employment continues be punished by a fine of not less than fifty nor more than two hundred dollars, or by imprisonment for not more than sixty days; and whoever forges, or procures to be forged, or assists in forging a certificate of birth or other evidence of the age of such person, and whoever presents or assists in presenting a forged certificate or evidence of birth to the superintendent of schools or to a person authorized by law to issue certificates, for the purpose of fraudulently obtaining the employment certificate required by this act, shall be punished by a fine of not less than ten nor more than five hundred dollars, or by imprisonment for not more than one year, or by both such fine and imprisonment. Whoever, being

³ See section 15, chapter 779, Acts of 1913.

authorized to sign an employment certificate, knowingly certifies to any materially false statement therein shall be punished by a fine of not less than ten nor more than two hundred dollars.

SECTION 20. Said chapter five hundred and fourteen is hereby further amended by striking out section sixty-two and inserting in place thereof the following: — *Section 62.* Attendance officers may visit the factories, workshops, manufacturing, mechanical and mercantile establishments, theatres, and places of public exhibition in their several cities and towns and ascertain whether any children are employed therein contrary to the provisions of this act and shall report in writing any cases of such illegal employment to the superintendent of schools or the school committee and to the state board of labor and industries or its authorized officers or agents. Inspectors appointed by the state board of labor and industries shall visit all factories, workshops, manufacturing, mechanical and mercantile establishments within their respective districts, and ascertain whether any children are employed therein contrary to the provisions of this act, and shall enter complaint against whomever is found to have violated any of said provisions. An inspector who knowingly or wilfully violates any provision of this section may be punished by a fine of not more than one hundred dollars.

SECTION 21. Said chapter five hundred and fourteen is hereby further amended by striking out section sixty-three and inserting in place thereof the following: — *Section 63.* An attendance officer shall apprehend and take to school, without a warrant, any child under the age of twenty-one years who is employed in any factory, workshop, manufacturing, mechanical or mercantile establishment in violation of the provisions of this act, or who is employed in any theatre or place of public exhibition contrary to the provisions of this act, and such attendance officer shall forthwith report to the police, district or municipal court or trial justice within whose judicial district the illegal employment occurs, the evidence in his possession relating to the illegal employment of any child so apprehended, and shall make complaint against whomever the court or trial justice may direct. An attendance officer who knowingly and wilfully violates any provision of this section may be punished by a fine of not more than one hundred dollars for each offence.

SECTION 22. Said chapter five hundred and fourteen is hereby further amended by striking out section sixty-four and inserting in place thereof the following: — *Section 64.* Inspectors appointed by the state board of labor and industries, agents of the board of education and attendance officers may require that the employment or educational certificates and lists of children who are employed in factories, workshops, manufacturing, mechanical or mercantile establishments shall be produced for their inspection. A failure to produce to any person authorized by this section who requests the same an employment or educational certificate or list required by law shall be prima facie evidence of the illegal employment of any person whose certificate is not produced or whose

name is not so listed. A corporation or other employer, or any agent or officer thereof, who retains an employment or educational certificate in violation of the provisions of this act shall be punished by a fine of not less than ten nor more than one hundred dollars.

SECTION 23. Said chapter five hundred and fourteen is hereby further amended by striking out section sixty-six and inserting in place thereof the following:— *Section 66.* No child who is over sixteen and under twenty-one years of age shall be employed in a factory, workshop, manufacturing, mechanical or mercantile establishment unless his employer procures and keeps on file an educational certificate showing the age of the child and his ability or inability to read and write as hereinafter provided. Such certificates shall be issued by the person authorized by this act to issue employment certificates.

The person authorized to issue such educational certificates shall, so far as is practicable, require the proof of age stated in section fifty-eight. He shall examine the child and certify whether or not he possesses the educational qualifications enumerated in section one of chapter forty-four of the Revised Laws, as amended.¹ Every such certificate shall be signed in the presence of the person issuing the same by the child in whose name it is issued.

Every employer of such children shall keep their educational certificates accessible to any officer authorized to enforce the provisions of this act and shall return said certificates to the office from which they were issued within two days after the date of the termination of the employment of said children. If the educational certificate of any child who is over sixteen and under twenty-one years of age fails to show that said child possesses the educational qualifications enumerated in section one of chapter forty-four of the Revised Laws, as amended, then no person shall employ such child while a public evening school is maintained in the city or town, in which the child resides, unless such child is a regular attendant at such evening school or at a day school, and presents to his employer each week a school record of such attendance. When such record shows unexcused absences, such attendance shall be deemed to be irregular and insufficient. The person authorized to issue educational certificates, or teachers acting under his authority, may, however, excuse justifiable absence. Whoever employs a child in violation of the provisions of this section shall forfeit not more than one hundred dollars for each offence, to the use of the evening schools of such city or town. A parent, guardian or custodian who permits a child to be employed in violation of the provisions of this section shall forfeit not more than twenty dollars, to the use of the evening schools of such city or town.

CHAPTER 805.

AN ACT RELATIVE TO THE ESTABLISHMENT AND MAINTENANCE OF CONTINUATION SCHOOLS AND COURSES OF INSTRUCTION FOR WORKING CHILDREN.

SECTION 1. When the school committee of any city or town shall have established continuation schools or courses of instruction for the education of minors between fourteen and sixteen years of age who are regularly employed in such city or town not less than six hours per day, such school committee may, with the consent of the board of education, require the attendance in such continuation schools or on such courses of instruction of every such minor thereafter receiving an employment certificate and who is not otherwise receiving instruction approved by the school committee as equivalent to that provided in schools established under the provisions of this act. The required attendance provided for in this act shall be at the rate of not less than four hours per week and shall be between the hours of eight o'clock in the morning and six o'clock in the afternoon of any working day or days. The time spent by a child in a continuation school or class shall be reckoned as a part of the time or number of hours that minors are permitted by law to work.

SECTION 2. Continuation schools or courses of instruction as provided in section one of this act, shall, so long as they are approved by the board of education as to organization, control, location, equipment, courses of study, qualifications of teachers, methods of instruction, conditions of admission, employment of pupils and expenditure of the money, constitute approved continuation schools or courses of instruction. Cities and towns maintaining such approved continuation schools or courses of instruction shall receive reimbursement from the commonwealth, as provided in section three of this act.

SECTION 3. The commonwealth, in order to aid in the maintenance of approved continuation schools or courses, shall as provided in this act pay annually from the treasury to cities and towns maintaining such schools or courses an amount equal to one half of the sum to be known as the net maintenance sum. Such net maintenance sum shall consist

of the total sum raised by local taxation and expended for the maintenance of such a school, less the amount, for the same period, of tuition claims paid or unpaid and receipts from the work of pupils or the sale of products.

SECTION 4. When the school committee of any city or town shall have established a continuation school or courses of instruction as provided in section one of this act, the said school committee may require the attendance, as provided in section one of this act, in such continuation school or on such courses of instruction of all minors between fourteen and sixteen years of age residing in said city or town who are regularly employed in another city or town: *provided*, that the city or town in which such minors are employed does not maintain and require attendance at a continuation school or courses of instruction as defined in section one of this act.

SECTION 5. Any minor between fourteen and sixteen years of age who is regularly employed in a city or town other than that in which the said minor resides may attend a continuation school or courses of instruction, as provided in section one of this act, in the city or town in which such minor resides. Any minor attending a continuation school or courses of instruction, as hereinbefore described, in the city or town of his residence in preference to attending such school or courses of instruction in the city or town of his employment, shall file or cause to be filed regularly, at least once a month, with the superintendent, or his representative duly authorized in writing, of the city or town in which such minor is employed, a report of attendance certified by the superintendent, or his representative duly authorized in writing, of the city or town in which such minor is attending school: *provided, however*, that the filing of such certified report of attendance with the superintendent of a city or town in which attendance at continuation schools or courses of instruction as defined in section one of this act is not compulsory shall not be required.

SECTION 6. The employer of any minor between fourteen and sixteen years of age who is compelled by the provisions and regulations either of the school committee in the city or town in which such minor resides or of the school committee in the city or town in which such minor is employed to attend a continuation school or courses of instruction as defined in section one of this act, shall cease forthwith to employ such minor when notified in writing by the superintendent or his representative duly authorized in writing, having jurisdiction over such minor's school attendance, that such minor is not attending school in accordance with the compulsory attendance regulations as defined in section one of this act. Any employer who fails to comply with the provisions of this section shall be punished by a fine of not less than ten nor more than one hundred dollars for each offence.

SECTION 7. The superintendent of schools having jurisdiction, or a person authorized by him in writing, may revoke the age and schooling or employment certificate of any minor who is required by the provisions

of this act to attend a continuation school or courses, if such minor fails to attend such school or courses as provided by this act.

SECTION 8. This act shall take effect on the first day of September, nineteen hundred and thirteen. [*Approved June 16, 1913.*]

The Board of Education, in accordance with a request from the Legislature (chapter 64, Resolves of 1911), made an investigation into the need of part-time schooling, vocational or otherwise, for working children, and presented a report to the Legislature of 1913 on the needs and possibilities of part-time schooling, for which the above act makes provision.

(3) Teachers in the service of the public schools of the city of Boston shall not be included as members of the retirement association.

STATE TEACHERS' RETIREMENT BOARD.

SECTION 4. (1) The management of the retirement system is hereby vested in the teachers' retirement board, consisting of seven members: the insurance commissioner for the commonwealth, the bank commissioner for the commonwealth, the commissioner of education for the commonwealth, three members of the retirement association and one other person. Upon organization of the retirement association the members thereof shall elect from among their number in a manner to be approved by the insurance commissioner, the bank commissioner and the commissioner of education, three persons to serve upon the retirement board, one member to serve for one year, one for two years and one for three years, and thereafter the members of the retirement association shall elect annually from among their number in a manner to be approved by the retirement board one person to serve upon the retirement board for the term of three years. The seventh member of the retirement board shall be elected annually by the other six to serve for the term of one year. On a vacancy occurring on the board, a successor of such person whose place has become vacant shall be chosen in the same manner as his predecessor to serve until the next annual election. Until the organization of the retirement association and the election of three representatives therefrom, the insurance commissioner, the bank commissioner and the commissioner of education shall be empowered to perform the duties of the retirement board.

(2) The members of the retirement board shall serve without compensation, but they shall be reimbursed from the expense fund of the retirement association for any expenditures or loss of salary or wages which they may incur through serving on the board. (6) The retirement board shall perform such other functions as are required for the execution of the provisions of this act.

CREATION OF FUNDS.

SECTION 5. The funds of the retirement system shall consist of an expense fund, an annuity fund and a pension fund.

(1) The expense fund shall consist of such amounts as shall be appropriated by the general court from year to year on estimates submitted by the retirement board to defray the expense of the administration of this act, exclusive of the payment of retirement allowances.

(2) The annuity fund shall consist of assessments paid by members of the retirement association, and interest derived from investments of the annuity fund. Each member of the retirement association shall pay into the annuity fund, by deduction from his salary in the manner provided in section nine, paragraph five, of this act, such assessments upon his salary as may be determined by the retirement board. The rate of assessment shall be established by the retirement board on the first day of July of each year after a prior notice of at least three months, and shall at any given time be uniform for all members of the retirement association, and shall not be less than three per cent nor more than seven per cent of the members' salary: *provided, however*, that when the total sum of assessments on the salary of any member at the rate established by the retirement board would amount to more than one hundred dollars or less than thirty-five dollars for any school year, such member shall in lieu of assessments at the regular rate be assessed one hundred dollars a year or thirty-five dollars a year as the case may be, payable in equal instalments to be assessed for the number of months during which the schools of the community in which such member is employed are commonly in session. Any member of the retirement association who shall for thirty years have paid regular assessments to the annuity fund as provided herein, shall be exempt from further assessments; but such member may thereafter, if he so elects, continue to pay his assessments to the fund. No member so electing shall pay further assessments after the total sum of assessments paid by him shall at any time have amounted, with regular interest, to a sum sufficient to purchase an annuity of five hundred dollars at age sixty; and interest thereafter accruing shall be paid to the member at the time of his retirement.

(3) The pension fund shall consist of such amounts as shall be appropriated by the general court from time to time on estimates submitted by the retirement board for the purpose of paying the pensions provided for in this act.

PAYMENT OF RETIREMENT ALLOWANCES.

SECTION 6. (1) Any member of the retirement association may retire from the service in the public schools on attaining the age of sixty years, or, at any time thereafter, if incapable of rendering satisfactory service as a teacher, may, with the approval of the retirement board, be retired by the employing school committee.

(2) Any member of the retirement association, on attaining the age of seventy years, shall be retired from service in the public schools.

(3) A member of the retirement association after his retirement under the provisions of paragraphs numbered (1) or (2) of this section, shall be entitled to receive from the annuity fund, as he shall elect at the time of his retirement, on the basis of tables adopted by the retirement board:—

(a) an annuity payable in quarterly payments, to which the sum of his assessments under section five, paragraph (2), with regular interest thereon, shall entitle him; or, (b) an annuity of less amount, as determined by the retirement board for the annuitants electing such option, payable in quarterly payments, with the provision that if the annuitant dies before receiving payments equal to the sum of his assessments under section five, paragraph (2), with regular interest, at the time of his retirement, the difference between the total amount of said payments and the amount of his contributions with regular interest shall be paid to his legal representatives.

(4) Any member of the retirement association receiving payments of an annuity as provided in paragraph numbered (3) of this section shall, if not rendered ineligible therefor by the provisions of section twelve of this act, receive with each quarterly payment of his annuity an equal amount to be paid from the pension fund as directed by the retirement board.

(5) Any teacher who shall have become a member of the retirement association under the provisions of paragraph numbered (2) of section three, and who shall have served fifteen years or more in the public schools of the commonwealth, not less than five of which shall immediately precede retirement, shall, on retiring as provided in paragraphs (1) and (2) of this section, be entitled to receive a retirement allowance as follows:

— (a) such annuity and pension as may be due under the provisions of paragraphs numbered (3) and (4) of this section; (b) an additional pension to such an amount that the sum of this additional pension and the pension provided in paragraph (4) of this section shall equal the pension to which he would have been entitled under the provisions of this act if he had paid thirty assessments on his average yearly wage for the fifteen years preceding his retirement and at the rate in effect at the time of his retirement: *provided*, (1) that if his term of service in the commonwealth shall have been over thirty years the thirty assessments shall be reckoned as having begun at the time of his entering service and as drawing regular interest until the time of retirement; and *further provided*, (2) that if the sum of such additional pension together with the annuity and pension pro-

vided for by paragraphs numbered (3) and (4) of this section is less than three hundred dollars in any one year, an additional sum sufficient to make an annual retirement allowance of three hundred dollars shall be paid from the pension fund.

(6) If at any time it is impossible or impracticable to consult the original records as to wages received by a member during any period, the retirement board shall determine the pension to be paid under paragraph numbered (5) (b) of this section in accordance with the evidence they may be able to obtain.

WITHDRAWAL AND REINSTATEMENT.

SECTION 7. (1) Any member of the retirement association withdrawing from service in the public schools before becoming eligible to retirement shall be entitled to receive from the annuity fund all amounts contributed as assessments, together with regular interest thereon, in the manner hereinafter provided.

(2) If such withdrawal shall take place before ten annual assessments have been paid, the total amount to which such member is entitled as determined by the retirement board under the provisions of this act shall be paid to him in four annual instalments.

(3) If such withdrawal shall take place after ten annual assessments have been paid the amount so refunded shall be in the form of such annuity for life based on the contributions of such member, together with regular interest thereon, as may be determined by the retirement board according to its annuity tables, or in four annual instalments, as such member may elect.
